Subject: Application for Restaurant Management Trainee

Dear Hiring Manager,

I am writing to apply for a Restaurant Management Trainee position. I am currently pursuing a Bachelor of Business Administration at Universiti Geomatika Malaysia and expect to graduate in 2027. I am interested in developing practical experience in restaurant operations, customer service, and team coordination.

My studies have strengthened my communication, organization, teamwork, and basic business management skills. I am comfortable using Microsoft Office and online tools, and I have a strong willingness to learn restaurant procedures, point-of-sale systems, inventory coordination, customer handling, and service standards. I am responsible, punctual, adaptable, and able to work professionally in a team environment.

As an entry-level candidate, I am looking for an opportunity where I can learn from experienced supervisors, contribute positively to daily restaurant operations, and build a long-term foundation in the service and hospitality industry.

Thank you for considering my application. I would appreciate the opportunity to discuss how my academic background, motivation, and willingness to learn can contribute to your team.

Yours sincerely,

MARUFA ALI
